1. This date the Deputy Director for Support convened a meeting to discuss the legislative package developed pursuant to the references. Attending were Messrs. Bannerman, Coffey, Warner, Maury, and the undersigned.

2. The specific amendments reflected in the attached legislative package were reviewed. It was determined not to recommend the two new amendments (reducing from 62 to 60 the age for discontinued service annuity and terminating disability annuities upon restoration of earning capability).

3. OLC will revise the legislative package, after further coordination with John Clarke concerning the funding aspects, both as to any other possible alternatives and the best procedure to follow in our dealings with BOB.
